● Welcome back – Sept '26 ●

WHAT IS THE PTFA

The PTFA is a group of volunteer parents, carers, friends and teachers working together to make school life even better for our children.

We raise extra funds through fun events, creative ideas and community support.

FUNDRAISING

We're so pleased to see everyone supporting our fundraising ventures! A huge thank you to everyone who got involved – Photo Shoot Raffle £139. Treat Stall £87.75. Uniform Sale £32. Our total profit raised for this school year is now £193.75! Every little bit makes a big difference.

OUR VISION

We are building a PTFA that works for modern family life – not one that relies on a small group of people giving lots of their time.

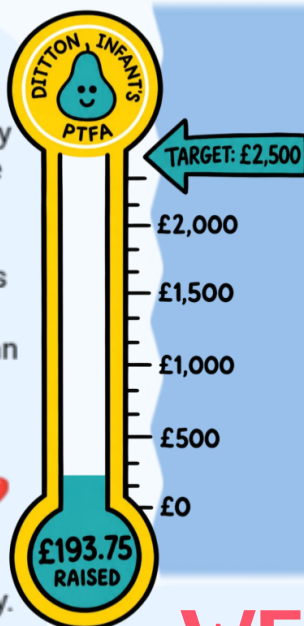

Our aim is to create a friendly community of parents and carers where many hands make light work. Whether you can help regularly, occasionally, share an idea or lend a particular skill, there's a place for everyone.

COMMUNITY IS AT THE HEART OF WHAT WE DO ❤️

This year, we want to build stronger connections between our school and the wider village community.

Alongside fundraising, we're passionate about creating safe, wholesome and affordable activities that local families can enjoy together. We'd love to work closely with local businesses, community groups and organisations to bring new ideas to life, support one another and create events that bring people together.

Ultimately, we want to raise funds to enhance our children's school experience, while building a supportive parent community and making our village a fun, welcoming place for families – with plenty of smiles along the way!

UP NEXT

Don't forget, Boogie Night disco forms and payment are due by 1st October. We're also getting ready for our Scarecrow Trail! The success of the trail really depends on having lots of brilliant scarecrows around the community, so please get creative with your children and start building! The more scarecrows we have, the better the trail will be. Entries and payment are due by 16th October.

WE NEED YOU

We'd love as many parents and carers as possible to get involved in whatever way works for them – whether that's sharing an idea, helping to plan, preparing for an event or lending a hand on the day.

No big commitment needed – every little bit helps!

If volunteering isn't possible, you can still support us by connecting us with local businesses, community groups or organisations for sponsorships, prizes or collaborations.

Easyfundraising is a super simple way to support our school for free. It takes just 5 minutes to sign up, costs you nothing, and the school receives donations when you shop online with participating retailers. You shop. They donate. Our school benefits. It really is that easy!

However you choose to get involved, you're helping us create something positive for our children, our school and our wider community. Together, we can make a real difference. ❤️

APPRECIATION CORNER

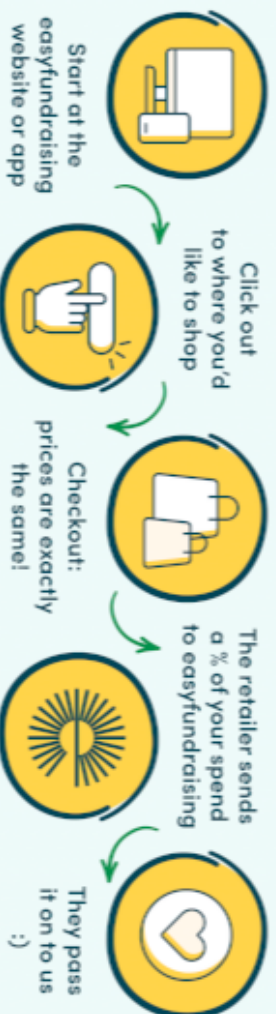

A huge thank you to Images Unlimited for their generous raffle prize donation! We can't wait to announce the winners in the coming days.

Thank you too to everyone joining the PTFA this year – it's not too late, the more the merrier!
